

**MEMBERSHIP RESPONSIBILITY CODE & COMMITMENT CONTRACT**  
**(completed in online Registration form online via link that was sent no need to print!)**

As a member of the Children's Chorus of the Kennett Symphony of Chester County (CC/KSCC), I will respect my fellow chorus members and treat them considerately and with kindness. I understand that everything CC/KSCC does is a group effort and I play an important part within the entire program. I agree to uphold and maintain the rules and behaviors set forth in this Commitment Contract, conducting myself with my best manners and making responsible decisions during all CC/KSCC rehearsals, performances, and related events. I understand that my responsibilities include the following:

**REHEARSALS and DRESS REHEARSALS**

**Regular Rehearsal Attendance Policy:**

Children are allotted two absences per each semester. These absences may be used for any reason. Students who are absent more than two times will be placed on performance probation and may be removed from the organization without refund pending director evaluation.

I will regularly attend rehearsals in keeping with the attendance policy above.

**VIRTUAL CONCERT**

The Virtual Concert will require each member to submit their vocal track(s) prior to the concert date. Students that do not submit their vocal tracks on time, will hinder the member's vocal participation in the virtual concert. The vocal track submission date will be determined by each director and due in April 2021.

I will be a positive contributing member of the KSCC at all times, through positive, responsible participation that does not distract my fellow singers, nor my directors from a productive rehearsal or performance. I understand that being a member of the Kennett Symphony Children's Chorus comes with responsibilities, and as a member, I serve as an example to my community, my school, and my friends. I will be polite, well behaved, responsible and considerate at all times as a representative of the KSCC. I understand that rules are a necessary part of any organization, and as a member, I have a responsibility to myself and the other members of the KSCC. I understand that I may be removed from the KSCC (without reimbursement) for behaviors that are in any way counterproductive, disrespectful, or detrimental to the KSCC or its directors.

I understand and agree to abide by the above rules during the 2021 Spring Concert Season.
